

**Dottorato di ricerca in Scienze della Vita**  
**Seminario (CV\_S\_039):**

***“Zeolite catalysis and synthesis in the context of sustainable chemistry:  
shape-selective biobased hydroxyacid and hydrocarbon conversions ”***

Prof. Dr. ir Michiel Dusselier  
Università di Leuven, Belgio  
<https://www.dusselier-lab.org/>

**Martedì 25 Febbraio 2020 h 10.00**  
**Aula S – Corpo H liv. 2**

Host: Manuela Oliverio (m.oliverio@unicz.it)
